RE: Jenkins v. Access Securepak, Co. & MDOC
Case No. 19-10738 Request for Investigation

Hon. Honor
This matter is before you due to ongoing Retaliations being committed by the Defendants in order to get the court to dismiss the lawsuit against them. It has come to be dangerous, where plaintiff has a disability/disorder being aggravated by the defendants to cause plaintiff demise. To verify this, there are doctors of the University of Michigan Hospital hold evidence and the Dept. of Civil Rights Regulatory Agency hold evidence being investigated.

I have enclosed a copy of the complaint with the assigned enumeration of Jenkins v. Mich. Dept. of Corrections case no. 497386, person of contact is Monique Cottrell #4, email: cottrellm@Michigan.gov.

We are requesting for an order to stop these ongoing Retaliations being committed by the Defendants. Where serious medical misdiagnosis and treatment is being conducted and legal property is being confiscated. An immediate order to stop these retaliatory crimes, 18 U.S.C. 1513 & 18 U.S.C. 1512(c). Your prompt attention to these serious matters is greatly appreciated.

Case No. 19-10738

Hon. R. Steven Whalen
Bldg No. P26 700
United States Magistrate

Notice of Court Obstructions Under Investigation by
Regulatory Agency - Dept of Civil Rights with Affidavit

1. The plaintiff, Van Jenkins, as Affiant do certify pursuant to 28 U.S.C. 1746 that the contents herein are true, correct, certain & complete and not meant to mislead under the pains and penalties of perjury and bearing no false witness so help me God. And I, Affiant further make Explicit Reservation of all Rights in accord with UCC section 1-207,
2. On the date of March 19, 2019 your Honor granted Plaintiff's Application to proceed without prepayment of the filing fee for this action, 28 U.S.C. 1915 (b)(1). The Defendants have committed Violations pursuant to 18 U.S.C. 1001 it was found by Plaintiff that the SMT Business Manager, Mr. Motrell concealing account Records of the Itemized Account Statement(s) of the institutional Job assignment payroll for skill worker in accordance with Policy and the attached Food service Industry certificate, that will allow Plaintiff to pay court cost and fees, prisoner Accountant D. Miller and K. Boyd refused to disclose these job assignment payroll records to be provided to this court;
3. Where prison officials fail or refuse to disclose the Prisoner's Trust Account Work assignment records as required pursuant to the *forma pauperis* statutory provisions; the court is able to perform the mathematical formula of 28 U.S.C. 1915(b)(1) procedures a result of zero, the 10-dollard/20 percent rule of 28 U.S.C. 1915(b)(1) assessment is made. To conceal these records from the court is a federal offense, see 18 U.S.C. 1512(c) and is Obstructing the court's process 18 U.S.C. 1519.

4. The statutory provisions do not require Plaintiff's lawsuit to be dismissed when the payment of an assessment has been delayed, even the job assignment Records delayed or concealed by the prison officials. A prisoner cannot be penalized when prison officials fail to promptly pay an assessment or court cost and fees, see McGore v. Wrigglesworth, 114 F.3d 601.

5. Just recently, Plaintiff was placed on medical quarantine being absent from institutional job assignment requiring medical back pay according to policy. This was addressed to the facility's classification Director, MTS. J. Hartwig as the previous medical back pay matter as dated 2-5-2019 was filed with no back pay rendered to enable Plaintiff to pay court cost and fees. Plaintiff have reasons to believe that the classification Director will not order the medical quarantine absences from institutional job assignment be paid and require court order.

6. The MDOC's officers had damaged Plaintiff's Footlocked where the Carson City Corrections facility placed a legal footlocked on order as dated 31/7/2018 and have not provided or delivered this footlocker as of or to this date 2019 August. This causes a number problems of confiscating legal property claiming excessive legal property, and not returning this legal property having Variance on this case before the court, see attached N.O.I. on footlocked,

7. Further retaliatory activities being committed by the Defendants during the pendency of this Law Suit is as follows: Stove items were ordered and paid for by Plaintiff as shown attached. Code No. 1169 Gucci Inspired Body Wash, this product contains some kind of acid that burned Plaintiff's neck and burn thickening of facial skin. Efforts are being made for physical and mental examination at the University of Michigan Hospital to be ordered.

8. The plaintiff encountered some kind of stomach virus from consuming food from the facility's dining Room, plaintiff made efforts to purchase pepmo Bismuth Liquid as shown attached. The stove bag came where a bag of Jalapeno chips were opened showing a hand had went into the bag eating chips and placed it in the plastic bag heat sealed with other stove items. A hole shown on the bag where the pepmo Bismuth was taken out. This item was credited back to Plaintiff's prison account, it was then taken to pay institutional debt where policy(s) prohibit taking credited pay & that \$11.00 must remain for the month for hygiene and health care items.

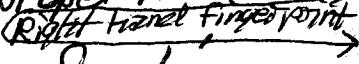

9. Plaintiff had to file to the Regulatory Agency, the Department of Civil Rights to prevent further obstructions and retaliations, see the attached complaint where Monique Cottrell is the representative holding evidence and where investigation is being conducted on these matters addressed to this court.

10. The pattern of non disclosure of evidential documents has been committed by the Livonia Police Dept. detaining Bond(s) of plaintiff bearing \$5,000,000 obstructing payment of court costs and fees, the Third Judicial Circuit Court refusing to disclose child support & warrant records and the MDOC refusing to disclose job assignment payroll records; now its chase Bank as shown attached failing to disclose financial records to provide to this court. As it is plaintiff's duty by law to inform this court on these financial matters where this is obstructing the court.

11. Under plaintiff's Access's securdepak co's prisoned store I.D. No. 135736 to order store items, a number of people made efforts to place securdepak orders that were obstructed and due processed by the Access securdepak co. This can be shown by accessing for DSS store order(s) of 2019 under the above cited I.D. Number. This information of these store orders and the prisoner's trust account statement of job assignment payroll disclosing skills pay or unskills having evidence as to whether the prisoner was paid skills pay due to the attached certificate or unskills pay to enable plaintiff to pay court costs and fees, the failure to disclose the information for the court to properly perform the mathematical formula of 28 U.S.C. 1915(b)(1) is a contempt of the court's order of March 19, 2019.

12. In re contempt of store, 154 Mich. App. 121, 6th Amend. to the U.S. Const. a reporter was held in contempt for his failure to surrender videotapes to the grand jury in accordance with a subpoena, 28 U.S.C. 2521 the plaintiff have a right to compulsory process in obtaining witnesses in his favor.

Therefore, Plaintiff request that this court issue an order to stop these ongoing retaliations, including causing hardships until this case is resolved in this court where plaintiff can order hygiene/health care store items with medical proper treatment.

Van Jenkins, 172475,

Plaintiff,

Case No. 19-10738

v.

Judge Matthew F. Leitman

Access Securepak Company et al,

Magistrate Judge Patricia T. Morris

Defendant(s).

**ORDER WAIVING PREPAYMENT OF THE FILING FEE AND
DIRECTING PERIODIC SUBSEQUENT PAYMENTS OF THE FILING FEE**

The Court has reviewed plaintiff's financial affidavit, certified account statement or its equivalent, and signed authorization to withdraw funds. Having considered these items, the Court **GRANTS** plaintiff's application to proceed without prepayment of the filing fee for this action. 28 U.S.C. § 1915(a)(1).

Plaintiff, a prisoner, must pay the full filing fee for this civil action. 28 U.S.C. § 1915(b)(1). The Court must assess and, if funds exist, collect an initial partial filing fee consisting of twenty percent (20%) of the greater of (1) the average monthly deposits to plaintiff's account, or (2) the average monthly balance in plaintiff's account for the preceding six (6) months. *Id.* The initial partial filing fee in this case is **\$0.00**. Plaintiff must make monthly payments of twenty percent (20%) of the preceding month's income credited to plaintiff's account. 28 U.S.C. § 1915(b)(2).

Accordingly, because insufficient funds exist in plaintiff's account to collect an initial partial filing fee, the Court **ORDERS** the agency having custody of plaintiff to forward to the Clerk of the Court, on a monthly basis if funds are available, twenty percent (20%) of the preceding month's income credited to plaintiff's account. The Court will notify the agency having custody of plaintiff when plaintiff has paid the entire filing fee of **\$350.00**. The Court has attached to this order a copy of plaintiff's authorization to withdraw funds from plaintiff's trust fund account.
